

Dear Atwater 4th of July Supporter,

The Atwater 4th of July Committee; a 501(c)4 non-profit, is seeking your help in raising funds to ensure that this year's 4th of July Celebrations (Parade and Fireworks) are successful. Your donations will help ensure that this patriotic celebration of our country will continue in our community, just like it has for almost 60 years.

We are in danger of not being in a financial position to continue the fireworks festivities. We are determined to raise the needed funds to keep this from happening, but this can't happen without the help of individuals and businesses like you! It has been economically tough for everyone and we have not been spared the downturn of sponsorships and donations. What better way to get your name out in front of 40,000+ parade spectators and festival goers! Sponsors will also be given recognition at our fireworks festivities which are attended by 8,000+ area residents.

We greatly appreciate your support so that this long standing tradition of our 4th of July Celebration in Atwater can continue. We appreciate any donation big or small, because anything helps.

All of the money raised is utilized to put on the day's events. Any money left over after this year's celebration, will stay in the fund for the following year's celebration.

Thank you in advance for your support.

Please make check out to "Atwater Fourth of July Committee" and mail them to:

Atwater 4th of July
P.O. Box 4
Atwater, CA 95301
