

Dear Atwater 4<sup>th</sup> of July Supporter,

The Atwater 4<sup>th</sup> of July Committee; a 501(c)4 non-profit, is seeking your help in raising funds to ensure that this year's 4<sup>th</sup> of July Celebrations (Parade and Fireworks) are successful. Your donations will help ensure that this patriotic celebration of our country will continue in our community. We are proud that this year we are Celebrating our 60<sup>th</sup> year of festivities.

We are not a city funded event and rely on our Sponsors and Community members to assist us in continuing the fireworks festivities. It has been economically tough for everyone and we have not been spared the downturn of sponsorships and donations. What better way to get your name out in front of 20,000+ parade spectators and festival goers! Sponsors will also be given recognition at our fireworks festivities which are attended by 8,000+ area residents.

We greatly appreciate your support so that this long standing tradition of our 4<sup>th</sup> of July Celebration in Atwater can continue. We appreciate any donation big or small, because anything helps.

All of the money raised is utilized to put on the day's events. Any money left over after this year's celebration, will stay in the fund for the following year's celebration.

Thank you in advance for your support.
